Alzheimer's Arkansas Programs and Services

Alzheimer's Arkansas Programs and Services was first incorporated in 1984 as "Alzheimer's Support Group of Central Arkansas".

We are an independent non-profit 501(c)(3) organization (not part of a national group). We are governed by a local volunteer Board of Directors. **All funds raised remain in Arkansas for Arkansans and all of our family caregiver services are free.**

The mission of Alzheimer's Arkansas is to provide the information and support needed so that all Arkansans affected by Alzheimer's disease and related dementias are able to live with dignity and comfort until a cure is found.

Their vision is a world in which all person affected by Alzheimer's disease have the services that they need.

"We are there for the caregivers 24/7!"

Alzheimer's Arkansas Programs and Services does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services.
